

Walking and hiking in the hills

The Livorno Hills Park (also known as “Parco delle Colline Livornesi”) is a very vast area comprising the municipality of Rosignano Marittimo: from Nibbiaia, Castelnuovo and Gabbro, as well as Rosignano Marittimo and Castiglioncello, you can go hiking and walking along the various trails that the place offers, all of them ending with spectacular views of the countryside and the sea.

For further information about hikes and walks in the countryside:
